

Caughlin Ranch

7th Annual Angel Tree Gift Drive

Beginning November 1st

Give a Gift of Joy Today!

You can make a difference this Christmas!

It is our firm belief that all children and seniors deserve to experience the joy of a present at Christmas. What better way to make that happen than to sponsor an Angel.

We need your help!

The Angel Tree is about showing the LOVE

CRHA Angel Tree aims to reach 100 of those children and 25 Seniors in need of love and hope for even just one Christmas filled with joy. They are in desperate need of a generous elf who can provide joy and happiness on Christmas morning.

Caughlin Ranch has partnered with Roy Gomm Elementary School Parent Faculty Association (PFA) and the Washoe County Senior Services to provide gifts to children and to seniors. We need your help, there are so many children and seniors, please come by the office and select your "Angel or Angels". Please help by taking an ornament and fulfilling a child's/seniors Christmas Dream.

Please drop off your wrapped gifts at the Caughlin Ranch Office no later than December 12, 2018

There is also a barrel for the Food Bank of Northern Nevada, in the lobby, feel free to bring non-perishable items.

Thank you for your Generosity!
